

WHY JOIN NAPIM?

WHY JOIN NAPIM?

LET'S BE HONEST.

The world is shifting rapidly — including our industry.

How do you remain a trusted, viable and vital supplier?

You need information, resources and connections not just to survive, but to succeed.

The National Association of Printing Ink Manufacturers — **NAPIM** — is your go-to resource for the information you need.

Printing is not the dinosaur some claim it to be. Books and magazines are still being printed. Products need labels and packaging. New, innovative methods and inks are being discovered and brought to the market.

NAPIM is the association that focuses on your company, *and* your company's future.

REGULATORY AND SAFETY INFORMATION

Are you keeping up with the latest federal, state and local reg's? Do you have the latest equipment safety training? Are you correctly reporting to OSHA?

NAPIM has the latest info affecting your business. Here are just a few:

- The Food and Drug Administration (FDA)
- Occupational Safety and Health Administration (OSHA)
- Hazard Communication Standard (HCS), now aligned with the Globally Harmonized System of Classification and Labeling of Chemicals (GHS)
- California's Prop 65; Massachusetts' and New Jersey's Right To Know
- Toxic Substances Control Act (TSCA), reformed in 2016
- The U.S. Dept. of Transportation (DOT)
- Consumer Product Safety Improvement Act (CPSIA)
- Environmental Protection Agency (EPA)

As a member, you can search the NAPIM environmental, health and safety archives for bulletins, whitepapers, links and other ink industry-specific regulatory issues.

MARKET AND BUSINESS REPORTS

How do tariffs affect your business? Can the Producer Price Index (PPI) help your business strategy? How are printing imports and exports trending month-to-month? NAPIM has the data and reporting you need — to drive your business forward whether you're local, national or global.

- Annual NAPIM State-of-the-Industry reports
- Annual Member Outlook Survey
- U.S. Bureau of Labor Statistics – Producer Price Index (PPI)

TECH UPDATES

Technology updates are showcased at both the Printing Ink Summer Course and Fall Technical Conference. In addition, throughout the year, members collaborate to produce technical webinars and new editions of the industry's sought-after handbooks.
